Suffolk County Council recommends that children, who have been poorly with vomiting, diarrhoea or fever, do not return to playgroup until 72 hours after they are clear of the symptoms. This is in accordance with the playgroup policies which can available in the setting or can be emailed on request.

Cleaning Wipes:

If we need to clean your child with cleansing wipes we use sensitive baby wipes.

Sun Cream:

As the children have access to the outside play area we ask that they come to playgroup with sun protection. We recommend that an all day factor 50 sun cream should be applied before coming to the session. If this cannot be applied then please provide a named lotion that can be applied as necessary by a member of staff.

I give permission for a member of staff to apply the sun cream provided in my childs bag as and when necessary.

EXTRA ENROLMENT CRITERIA FOR ACTON PLAYGROUP

To manage the places for the children, Acton Playgroup work on a 'First come first serve' basis giving priority to Acton children.

Should a place not be taken up when offered, you may forfeit that place.

The committees' decision is final.

When your child becomes funded, a maximum of five places will be offered if spaces available.

All booked sessions are chargeable (including any days when your child is away from playgroup due to sickness or holidays).

Suffolk County Council recommends that children, who have been poorly with vomiting, diarrhoea or fever, do not return to playgroup until 72 hours after they are clear of the symptoms. This is in accordance with the playgroup policies which can be available in the setting or on the playgroups web page.
